

M.M.P. & W. Volunteer Ambulance Club
132 North Main Street * P. O. Box 89
Mercersburg, PA 17236
717-328-5965

Dear Resident –

It is time to renew your membership to the MMP&W Volunteer Ambulance Club. If you have not been a member in the past, we invite you to become a member now.

Why should you become a member? We are hopeful that you will never become ill or be injured and need to call an ambulance. Unfortunately, sudden illnesses like heart attacks and strokes, vehicle accidents and other medical emergencies happen in our community every day to us, our family, friends and neighbors. Our association currently serves the community with EMTs who are able to perform life-saving care. Studies show that access to quality emergency care dramatically improves the survival and recovery rate of those that experience a sudden illness or injury.

Basic life support emergency transport by ambulance can cost more than \$500. Medical insurance sometimes provides coverage for ambulance emergencies; therefore, MMP&W Volunteer Fire & Ambulance Company reserves the right to submit an invoice to your insurance companies for any services provided to you and will not apply the membership until all insurance benefits have been exhausted. Club members that are uninsured, or whose transport was deemed not medically necessary, or where the claim was applied to the policy deductible by the insurance company; will be offered a reduced rate and possible payment plans.

If you are a Club Member and you are paid directly by your insurance company it is your responsibility to forward that payment to the billing office or fire station.

There is a fee charged if an ambulance is called for you but you decide not to be transported. We allow 3 refusals (treatment with no transport) per subscription period. After the third refusal a fee will be billed to the Club Member per additional occurrence. **Note that ambulance club membership does not cover services provided by advanced life support technicians (paramedics).**

How many times may you use the ambulance for emergencies?

There is no restriction on the number of emergency transports.

Where can you be taken?

We provide emergency transport from all locations in the Borough of Mercersburg, and Montgomery, Peters or Warren Townships to hospitals in Chambersburg, Waynesboro, McConnellsburg or Hagerstown. **Note: We do not provide pre-scheduled or emergency transport to doctor's offices, transport home from the hospital or from one facility to another.**

How much does it cost?

This service costs only **\$50.00** per household. It covers everyone residing in your household, **providing you list them on the membership application.** Club memberships are effective from **January 1, 2023 thru December 31, 2023.** While you can join at any time during the calendar year, we do not pro-rate membership throughout the year. You may not become a member if you have an outstanding bill with the ambulance club. **Business Memberships** cost \$100.00 which covers all employees of said business.

We encourage you to take advantage of this service. Your subscription and donations help us to upgrade and maintain our equipment and assure staffing is available so that we can provide this vital service to you.
